**too
MUCH
SyLVIA**

TOO MUCH SYLVIA has the ability and desire to please and play something that everyone will enjoy. Their onstage antics and personalities will touch all. By **NOT** working from a "setlist", 2MS has the ability to pace the song selection and provoke audience interaction to reach a peak at the right moment. Their 2018 Cammy Award-winning CD, "THROW ME A ROPE" and 2014's CD, "2MS", continues to generate more fans through radio and internet airplay with the success of **EIGHT**, #1 songs including **FOUR "CBMA Songs of the Year"** since 2014. Their vocal blend and harmonies are, really . . .

a major part of the 2MS sound. Combine all of the above, with their tight and tasteful musical arrangements and it's a presentation that is always appealing to dancers and listeners at a comfortable sound level for everyone, so grab you dancing shoes and let's party!
